What to do and expect from now
until fall...

Getting Ready...

- Encourage independence
- Teach that there are **different behaviors/expectations (“rules”) for different environments**
- Visit the kindergarten playground
- Teach your child to use playground equipment safely
- Get your child excited about kindergarten

Getting Ready...

“The single most important activity for building the knowledge required for eventual success in reading is reading aloud to your children.” *Becoming a Nation of Readers, 1985*

“I always advise children who ask me for tips on being a writer to read as much as they possibly can...” *J.K. Rowling*

“As a parent or caregiver; you are your child’s first mathematics teacher...Building with objects such as blocks and cardboard boxes exposed your child to geometric ideas such as shape, size and symmetry. Chores such as putting away the dishes and sorting laundry engaged your child in sorting and categorizing...” *Susan Jo Russell, TERC*
