

SENIOR PORTRAITS

DEADLINE: **January 14th**

First-time Portraits and Retakes

It is our goal as a yearbook staff to have ALL seniors pictured... after all, it's YOUR senior year! Don't miss your opportunity to have your picture in the Yearbook!

You were sent an email from Legacy Studios (**please check your spam folder as many end up in there**). It will state the specific date/ time you will be photographed. Many of you have already had your portrait taken over the summer, but if you were unable to, or would simply like a re-take, you're in luck...

If you need the appointment emailed to you again or would like to have a retake scheduled please email customer care at:

customercare@legacystudios.com

You can also call customer care between 11-am and 3-pm at:
