New Canaan Summer Enrichment 2020

A Total Summer Experience

Sponsored by New Canaan Public Schools
Directors: Darren Bruce and Brett Gillan

www.ncps-k12.org/domain/748
summer.enrichment@ncps-k12.org
Welcome to the Summer Enrichment Program

June 22, 2020 through July 24, 2020

Once again we are offering a range of activities for a total summer experience! We encourage online or mail-in registration by May 31, 2020 as class sizes are limited and filled on a first come, first served basis. Courses without sufficient enrollment will be cancelled.

Register online at: www.ncps-k12.org/domain/748

Mail in registration forms can be found in the back of this booklet or on our website, www.ncps-k12.org/domain/748.

Refund Policy

- In the event a course is canceled due to insufficient enrollment, students will be refunded the entire registration fee.
  - NO refunds will be made for any course unless the course is canceled Please understand that we hire staff and order materials based on projected enrollment well in advance of the start date of a course.
  - HS Academic Make-Up course withdrawal must be made two working days prior to the start of a course

June 22nd—June 26th

Language Arts Camps

#010  The “Start Now” College Essay Workshop

Completing grade 11
4:00 - 7:00 New Canaan High School $225
(Note: This is a four day camp and will run from 6/22—6/25)

Juniors, can we talk? Summer is around the corner and generations of college-bound students have had the exact same question that is taking shape in your mind now: How the heck do I arrange 650 words into an essay that will soften the steely hearts of faceless college admissions personnel and move them to let me pass through the magic portal into the promised land of higher education?

Easy! You can spend four days developing an essay in a supportive workshop environment and approach application deadlines with the confidence that you’ve already written a solid personal statement.

Instructor: Darren Bruce (NCPS Writing Specialist)

Register online! Visit or website at www.ncps-k12.org/domain/748.
June 29th—July 2nd (four days)

Language Arts Camps

#200 Keyboarding
Completing grades 1 - 6
8:00 - 9:00 Saxe Middle School $75

In this technological world, keyboarding skills are essential! This one hour camp will give you a boost to your technology skills, including keyboarding. Learn proper hand placement on the keyboard with a focus on the home row. You will play games and activities that promote your keyboarding speed and accuracy in a fun way.

Instructor: April Colon (South), Monica Sheehan (NCHS)

#201 Summer Institute of Writing
Completing grades 1 - 6
9:00—2:00 Saxe Middle School $275

Come live the writerly life! Here’s the chance for those who love to write to unleash their creativity in a nurturing community of writers. Each morning begins with unique activities to stimulate the senses and inspire the writer within. Daily mini-workshops are offered for specific ages for personal writing explorations. Afternoon workshops allow time for writing and opportunities for conferring, revising, and publishing. If you love to write, all you need to bring is your imagination. (This is not a remedial writing program.)

Instructors: Darren Bruce (NCPS Writing Specialist), Kristen Bulkley, April Colon, Deb Cornwell (South), Tania O’Leary, Joanna Tamburro (West), Joanna Dobransky, Gina Helmich, Holly Martoccì (Saxe), Monica Sheehan (NCHS),

#202 Future Babysitters Club
Completing grades 3-6
9:15 - 12:15 New Canaan High School $200

Babysitting? How hard could it be? In this week long camp, you’ll find out just how challenging it can be to take care of kids while their parents are out. Our instructor will guide you through the babysitting basics, where you will learn how to take care of infants and children, how to stay safe and what to do in an emergency. You will also get hands on experience feeding, burping, and changing diapers using our infant simulators. Pretty soon you’ll be ready to start your own babysitting business!

Instructor: Donna Sapienza (NCHS, Family Services Teacher)

#203 Spanish Adventure Club
Completing grades 1-3
9:00—12:00 Saxe Middle School $200

Hola! Join us for an adventure as we explore a variety of Spanish-speaking cultures and the beautiful language they all have in common. Spain, Chile, Argentina, Peru—we will stamp our passports in all of these countries and more! Students will have ample opportunities to use the Spanish they know and learn even more, all the while immersing themselves in the unique cultures of Spanish-speaking nations around the world. Activities will include games, artistic creations, yoga, dramatic play and more! So pack your bags and your travel journals—it’s time for an adventure! (Please note: this is not a remedial Spanish class)

Instructor: Lily DeYoung (NCPS FLES teacher)

#204 Top Chef: Made in the USA!
Completing grades 3-6
9:15—12:15 New Canaan High School $220

Open up and say yummmm! In this weeklong camp, you will learn the sweet science behind some of this country’s most famous food! Working in New Canaan High School’s classroom kitchens, otherwise known as the Rams Café, Chef Riter will help you whip up some tasty treats. By the end of the week, you will be able to go home and turn your own kitchen into a world-famous eatery!

Instructors: Adrienne Riter (South),
June 29th—July 2nd (four days)

STEM Camps

#205 Robotics
Completing grades 3-7
9:15—12:15 Saxe Middle School $200

Discover the world of coding and robotics with Evo, Dash and Dot and Sphero. Have fun with these programmable smart robots. Teach them to do tricks, play games, follow colored lines on drawings, drive, race and much more! Students will also explore the virtual world of robots in a high-end simulation environment and use a hands-on approach to coding and programming. Advanced students can explore the world of robots and coding with Vex Robotics.

Instructor: Ronna Van Veghel (South), Vivian Birdsall (Saxe)

#206 Coding Camp: HTML and CSS
Completing grades 3-7
9:15—12:15 Saxe Middle School $200

During the week students will learn the basics of HTML and CSS to create their own webpages! Students will learn how to structure their pages and use various features (photos, videos, tables, links, etc) to make custom webpages. No experience required.

Instructor: Clint McLeod (East)

#207 Astronomy
Completing grades 4 - 7
9:15 - 12:15 New Canaan High School $200

Are you fascinated by the sun, moon, and stars? Come visit New Canaan High School’s planetarium and learn about the night sky and the amazing stories behind the constellations. Make a star chart that you can use at home. View the sun and sunspots through a telescope. Learn about the planets in our solar system and our closest neighbor in space - Earth’s moon. Come join us in a journey through space that will be exciting, informative, and unforgettable!

Instructor: Tim Haag (Science Chair, NCHS)

June 29th—July 2nd (four days)

Arts Academy Camps

#208 Drama Club
Completing grades K-2
9:15—12:15 Saxe Middle School $220

Do you have a seriously creative side? This week-long camp will focus on bringing characters to life through playacting, characterization, and imaginative play. Campers will learn to expand their imaginations, build their confidence and communication skills, and interact in a group with other children their age. Campers will also add art, music, and creative movement to their acting repertoire.

Instructor: Carolyn Smalley (South)

#209 Photoshop Magic
Completing grades 3-6
9:15—12:15 Saxe Middle School $220

Learn to fool the eye and create astonishing illusions in Photoshop. Students will shoot their own photos, and bring their images into Photoshop where they will create pictures that will amaze their friends and fool their parents! You will learn the basics of Adobe Photoshop in the process. Students can bring their own camera or one will be provided.

Instructor: Duffy Franco (Norwalk Public Schools)

#210 Infinity and Beyond!
Completing grades K-2
9:15—12:15 Saxe Middle School $220

Want to create “one in a minion” crafts inspired by all of your favorite movies? We will travel to “infinity and beyond,” and create space ranger jet packs, our very own slinky dogs, minion planters, Nemo fish tanks and many more awesome movie-themed art projects! Whether you are a princess or a superhero, you will have a blast in this workshop!

Instructor: Karla Duran (Stamford Public Schools)
#211 Discovery Arts
Completing grades K-2
9:15—12:15  Saxe Middle School $220

Science isn’t just all formulas and equations—there is an art to it, too. This workshop combines the best of art and the best of science as you create some amazing artwork. Make your own science inspired art creations. With a little bit of experimentation and a lot of creativity, you’ll be surprised at how beautiful science can be!

_Instructor: Jen Berry (Saxe)_

#212 Hands On Art
Completing grades 2-6
9:15—12:15  Saxe Middle School $220

If you like to get your hands dirty then this is the art studio for you! Have fun creating hand built pottery, clay sculpture, paper mache creations, painting, and more. Most of these projects will be done in steps and will need time to dry in the sun or be fired in the kiln so campers may need to pick up their work at a later date. Don’t forget to wear a smock!

_Instructor: Megan Collins (Silvermine)_

#213 Strings Ensemble
Completing grades 3-6
9:15—12:15  Saxe Middle School $220

Do you play a string instrument? Join us for a week of exciting music making! Through musical games, activities and rehearsals, we will reinforce playing technique, ensemble skills and prepare students for an informal concert at the end of the week. This program is for students that have completed at least one year of playing violin, viola, cello or string bass. Students should bring their instrument - contact Mrs. Dorfman at kathleen.dorfman@ncps-k12.org with any questions!

_Instructor: Katie Dorfman (Saxe)_

Summer Enrichment Exclusive!
Come be a part of the New Canaan Youth Players! Join us for a summer of fun in our youth musical theatre workshop with Lauren Nicole Sherwood and Matthew Blank (Directors of the Saxe Musicals)! Participants will learn about all aspects of a production, as well as work on the foundation skills necessary for putting on a show. We encourage students of all abilities to come experience the excitement of theatre in a supportive, creative and focused environment. Students will learn how to collaborate together in order to create an exciting piece of theatre.

Lights Up! A Collaborative Theatre Workshop

| #214 Session 1: June 29th – July 10th (no camp on 7/3) Final Performance July 10th |
| Completing grades 3-7 |
| 9:00—2:00 Saxe Middle School | $625 |

| #412 Session 2: July 13th – 24th Final Performance July 24th |
| Completing grades K-2 |
| 9:15—2:15 Saxe Middle School | $650 |

Students will have the opportunity to work with industry professionals to help hone their skills and talents. The days will consist of a combination of foundation classes (Music, Acting, Dance and Art) and rehearsal time. This gives the students a well-rounded education in all areas while still preparing for their performance. Students will be responsible for creating the show they will be performing.

Each student will have the opportunity to perform his or her own song, dance and/or scene in the final showcase as well as group pieces.
#303 Spanish Adventure Club
Completing grades 1-3
9:00—12:00  South School  $250

Hola! Join us for an adventure as we explore a variety of Spanish-speaking cultures and the beautiful language they all have in common. Spain, Chile, Argentina, Peru—we will stamp our passports in all of these countries and more! Students will have ample opportunities to use the Spanish they know and learn even more, all the while immersing themselves in the unique cultures of Spanish-speaking nations around the world. Activities will include games, artistic creations, yoga, dramatic play and more! So pack your bags and your travel journals—it’s time for an adventure! (Please note: this is not a remedial Spanish class) Grades: 2 - 4

Instructor: Lily DeYoung (NCPS FLES teacher)

#304 Keyboarding
Completing grades 1 - 6
8:00 - 9:00  South School  $85

In this technological world, keyboarding skills are essential! This one hour camp will give you a boost to your technology skills, including keyboarding. Learn proper hand placement on the keyboard with a focus on the home row. You will play games and activities that promote accuracy and keyboarding speed in a fun way.

#305 Paper Electronics
Completing grades 3-7
9:15—12:15  Saxe Middle School  $250

Use the STEM lab to design and create your own project using materials such as lights, motors, batteries and squishy circuits. Explore the world of pop-up projects with interactive electronics. Design cards, castles, tiny books, and circuit bugs that incorporate your creative use of electronics.

Instructor: Ronna Van Veghel (South, Vivian Birdsall (Saxe)

#306 STEM Stories
Completing grades prek-1
9:00 - 12:00  South School  $250

Don’t lose STEAM (science, technology, engineering, art, and math) this summer! Combine your love of reading and your passion for science into one fun-filled camp experience. We will explore a number of scientific challenges and engineering concepts through a variety of well known and entertaining storybooks. Ever think you could design a way to stop the Big Bad Wolf from blowing your house down? Or how about being inspired to craft a “walking rainbow” after reading The Very Hungry Caterpillar. You’ll be amazed how much science there is in stories?

Instructors: Lisa Charkales, Carli Cross (South)

#307 Coding Camp: Python
Completing grades 3-7
9:15—12:15  Saxe Middle School  $250

During the week students will learn the basics of coding (variables, functions, loops, etc) by learning the programming language Python. Students will build their own games and programs like Mad Libs. They will use the normal text based Python as well as the graphical add-on Turtle, which allows the students to design pictures using code. Finally, they will explore APIs which will allow the students to build programs that access information from other websites to use in their programs.

Instructor: Clint McLeod (East)

Register online! Visit or website at www.ncps-k12.org/domain/748.
#308 Camp Invention: Elevate!
Completing grades 1 - 3
9:00 - 2:00  South School  $300

Camp Invention takes summer fun and transforms it from ordinary to extraordinary! In partnership with the National Inventors Hall of Fame, we are pleased to offer the nationally acclaimed Camp Invention program to children finishing grades first through third. It’s an exciting, weeklong summer adventure with lessons that explore connections between science, technology, engineering and innovation. Children will work together to seek solutions to real-world problems and sharpen critical 21st century learning skills while rotating through several fascinating modules. Here is how young innovators will be spending their time:

Camp Invention Flight Lab: Children explore the principles of flight with the help of their own robots. Innovation takes off as children engage in hands-on, high-flying challenges and inspiring experiments.

Design Thinking Project: Children gain confidence as they express their unique ideas and learn the value of their creativity. By applying an inventor-informed Design Thinking Process, children are empowered to take their ideas to market and protect their intellectual property.

Rescue Squad: Children team up to protect the Earth’s ecosystems! As they’re introduced to real-world challenges in habitats across the country, children build prototypes, explore energy conservation, eliminate pollution and help wildlife.

Camp Invention Champions: Children discover the game-changing inventors behind their favorite sports. By applying creative problem-solving skills and using inspiration from these great inventors, they develop their own games, equipment and sports facilities.

Instructors: Michelle Buyer, Kristen Bulkley, April Colon (South), Patrick Murren (West),

#309 Junior Arts Studio
Completing grades K-2
9:15—12:15  Saxe Middle School  $275

Explore diverse media in a playful atmosphere. The teacher’s demonstration will act as a springboard to explore, experiment, and create authentic art pieces each day. Closing each session with a reflection circle, students will have the opportunity to offer positive observations about classmates’ work and reflect on their own discoveries.

Instructor: Megan Collins (Silvermine)

#310 Hands On Art
Completing grades 3-6
9:15—12:15  Saxe Middle School  $275

If you like to get your hands dirty then this is the art studio for you! Have fun creating hand built pottery, clay sculpture, paper mache creations, painting, and more. Most of these projects will be done in steps and will need time to dry in the sun or be fired in the kiln so campers may need to pick up their work at a later date. Don’t forget to wear a smock!

Instructor: Abigail Duncan (Saxe)

#311 Glam Squad
Completing grades K-2
9:15—12:15  Saxe Middle School  $275

Any fashion-forward person knows that the key to great fashion is the accessories. Create your very own unique fashion statement and become a trendsetter. Style and customize your own jewelry, headbands, hair ties, belts, and clothing just the way you want them. You name it, we can make it!

Instructor: Karla Duran (Stamford Public Schools)
#312 Flip Books

Completing grades 3-6  
9:15—12:15  Saxe Middle School $275

Flip books truly were the first “moving pictures”! In this weeklong camp, you will write, design, create, and display your very own flip book movie. Learn how artists made movies before the days of video cameras and computer animation. During the week, you will craft a series of still images and combine them to make a mini-movie once the pages are turned. By the end of the week, you will be able to show your work over and over again in a handmade flip book projector. These little gadgets really are magic!

_Instructor: Duffy Franco (Norwalk Public Schools)_

#313 Drama Club

Completing grades K-2  
9:15—12:15  Saxe Middle School $275

Do you have a seriously creative side? This week-long camp will focus on bringing characters to life through playacting, characterization, and imaginative play. Campers will learn to expand their imaginations, build their confidence and communication skills, and interact in a group with other children their age. Campers will also add art, music, and creative movement to their acting repertoire.

_Instructor: Carolyn Smalley (South)_

#400 Keyboarding

Completing grades 1 - 6  
8:00 - 9:00  South School $85

In this technological world, keyboarding skills are essential! This one hour camp will give you a boost to your technology skills, including keyboarding. Learn proper hand placement on the keyboard with a focus on the home row. You will play games and activities that promote accuracy and keyboarding speed in a fun way.

_Instructor: April Colon (South)_

#401 Hop on the Hogwarts Express

Completing grades 2 - 6  
9:00 - 12:00  South School $250

Join us for our 20th year of Hogwarts – as a first year or returning student! If you’re new, the famous sorting hat will determine your house for the week! You’ll attend potions class, write for the Daily Prophet, make your house t-shirt, play Quidditch, as well as engage in creative dramatics. At the end of the week, the House Cup will be awarded.

_The Wizards in Residence this term are Joanna Dobransky and Elaine Scott (Saxe) April Colon (South), Patrick Murren and Stefanie Sommerville (West), Monica Sheehan (NCHS), Chris Dobransky (Facing History School),_
July 13th—July 17th

#402 On Your Mark...Get Set ... Kindergarten!
Completing Pre-K
9:00 - 12:00 South School $250

Offered exclusively for children entering kindergarten in the fall of 2019, this camp will ease the worry of the unknown and generate excitement for the year ahead. Campers will experience typical routines in kindergarten, while learning valuable social, motor and academic skills. We’ll also be reading books, singing songs and sharing poetry that kindergarten teachers would love to know are part of a child’s “invisible backpack” as they enter school in the fall.

**Instructor:** Karen Pedicano, Lisa Charkales (South)

#403 The World of Fancy Nancy
Completing grades Pre-K - 1
9:00 - 12:00 South School $250

Do you love being fancy? Join us for a week of glamour and glitz as we dive into Fancy Nancy’s world. You will make elegant tiaras, sparkling jewelry, beautiful purses and more. Dress in your fanciest outfits as we join Nancy and her friends for tea parties. We just hope we have time for all the fun and fancy activities based on the Fancy Nancy books!

**Instructors:** Tania O’Leary, Joanna Tamburro (West)

Register online! Visit or website at www.ncps-k12.org/domain/748. Look for the link on the left hand side!

July 13th—July 17th

#404 Rocketry
Completing grades 3-6
9:15 - 12:15 Saxe Middle School $250

Up, up and Away! In this weeklong camp, you will learn what it takes to design, build and launch rockets successfully into the stratosphere. Investigate the effects of weight, aerodynamics, and different methods of propulsion on the speed and heights your rocket will soar. Learn the history of rocketry and about some of its most famous rocket scientists. You will also try your hand at piloting a remote-controlled drone built with Legos. The sky’s the limit at this exciting camp!

**Instructor:** Ashley Walsh (Saxe)

#405 Robotics
Completing grades 3-7
9:15—12:15 Saxe Middle School $250

Discover the world of coding and robotics with Evo, Dash and Dot and Sphero. Have fun with these programmable smart robots. Teach them to do tricks, play games, follow colored lines on drawings, drive, race and much more! Students will also explore the virtual world of robots in a high-end simulation environment and use a hands-on approach to coding and programming. Advanced students can explore the world of robots and coding with VexRobotics.

**Instructor:** Ronna Van Veghel (South), Vivian Birdsall (Saxe)

Register online! Visit or website at www.ncps-k12.org/domain/748. Look for the link on the left hand side!
#406 Design Lab
Completing grades 3-7
9:15—12:15  Saxe Middle School  $250

Welcome to Saxe Middle School’s brand new Design Lab! At this camp, you will create your own project using materials such as lights, motors, batteries and squishy circuits. Explore the world of pop-up projects with interactive electronics. Design cards, castles, tiny books, and circuit bugs that incorporate your creative use of electronics.

_Instructor: Jennifer Pacelli (Saxe)_

#407 Coding Camp: JavaScript
Completing grades 3-7
9:15—12:15  Saxe Middle School  $250

During the week students will learn the foundations of coding by using JavaScript. The students will work with code to build graphics that create their own games. Students will learn how to implement basic coding concepts (variables, functions, loops, etc) into their games. Students who take Python will notice that JavaScript uses the same concepts, but implements them differently. By the end of the week, students will have built several small games.

_Instructor: Clint McLeod (East)_

#408 Hands On Art
Completing grades 2-6
9:15—12:15  Saxe Middle School  $275

If you like to get your hands dirty then this is the art studio for you! Have fun creating hand built pottery, clay sculpture, paper mache creations, painting, and more. Most of these projects will be done in steps and will need time to dry in the sun or be fired in the kiln so campers may need to pick up their work at a later date. Don’t forget to wear a smock!

_Instructor: Abigail Duncan (Saxe)_

#409 Discovery Arts
Completing grades K-2
9:15—12:15  Saxe Middle School  $275

Science isn’t just all formulas and equations—there is an art to it, too. This workshop combines the best of art and the best of science as you create some amazing artwork. Make your own science inspired art creations. With a little bit of experimentation and a lot of creativity, you’ll be surprised at how beautiful science can be!

_Instructor: Jen Berry (Saxe)_

#410 Actors Guild
Completing grades 3-6
9:15—12:15  Saxe Middle School  $275

Start your acting career with a series of activities that lay the foundation for everything to come. Not only will you be on your way to landing your first starring role, but these acting exercises will help you build confidence in a number of social and academic situations. Activities will include acting in mini-snippets, scene-starters, and small group improvisations. Whether you make it to Broadway or not, being a part of the Actors Guild will make life a dramatic adventure!

_Instructor: Carolyn Smalley (South)_

#411 Infinity and Beyond!
Completing grades K-2
9:15—12:15  Saxe Middle School $220

Want to create “one in a minion” crafts inspired by all of your favorite movies? We will travel to “infinity and beyond,” and create space ranger jet packs, our very own slinky dogs, minion planters, Nemo fish tanks and many more awesome movie-themed art projects! Whether you are a princess or a superhero, you will have a blast in this workshop!

_Instructor: Karla Duran (Stamford Public Schools)_
July 20th—July 24th

Language Arts Camps

#500 Keyboarding
Completing grades 1 - 6
8:00 - 9:00  South School $85

In this technological world, keyboarding skills are essential! This one hour camp will give you a boost to your technology skills, including keyboarding. Learn proper hand placement on the keyboard with a focus on the home row. You will play games and activities that promote your keyboarding speed and accuracy in a fun way.

#501 Simply Superheroes
Completing grades K-2
9:00 - 12:00  South School $250

Are you faster than a speeding bullet? Can you leap tall buildings in a single bound? Is there a superpower lurking in you that’s just waiting to come out? In this weeklong camp, you will explore your inner superhero, designing your own cape and mask, writing your own superhero story, and testing your powers on a superhero obstacle course. When you’re done, you will be ready to team up with Batman, Superman, and Wonder Woman to make the world a better, safer place.

Instructors: Tania O’Leary

Register online! Visit or website at www.ncps-k12.org/domain/748.

July 20th—July 24th

STEM Camps

#502 Lego Robotics
Completing grades 1 - 3
9:00—12:00  South School $250

Do you love LEGO®? At this camp, you will learn how to design, build, and program working robots using LEGO® WeDo Robotics®. Create stories based on the characters you develop as these hands-on activities promote innovation, problem-solving, and collaboration as well as computer and literacy skills.

Instructors: Adrienne Riter (South)

#503 Kids and Coding
Completing grades 3-7
9:15—12:15  Saxe Middle School $250

Learn to think critically and creatively to solve problems through coding. Students will explore a variety of coding apps and websites to create games, program robots, go on adventures and think like a programmer all while gaining a deeper understanding of logic and sequence. Students will be exposed to 3D design through Tinkercad, Autodesk Inventor and more.

Instructors: Ronna Van Veghel (South), Vivian Birdsall (Saxe)

Register online! Visit or website at www.ncps-k12.org/domain/748.
#504 Logic Games and Lock Boxes

Completing grades 3-6
9:15—12:15 Saxe Middle School $250

They say life’s a mystery, but it doesn’t have to be! In this week-long camp, you will explore the basic principles of logic and problem solving so that when you’re faced with one of life’s little mysteries, you’ll be able to solve it with ease. Each day you will have to use your logical thinking to open a series of unique locks and boxes. Using Breakout EDU’s gaming platform, you will get hands-on and digital gaming experiences that promote collaboration, critical thinking, communication, and creativity. Who needs directions, when you have the power of logic!

Instructor: Terri-Ann Adrian (Saxe)

#505 Hands On Art

Completing grades 3-6
9:15—12:15 Saxe Middle School $275

If you like to get your hands dirty then this is the art studio for you! Have fun creating hand built pottery, clay sculpture, paper mache creations, painting, and more. Most of these projects will be done in steps and will need time to dry in the sun or be fired in the kiln so campers may need to pick up their work at a later date. Don’t forget to wear a smock!

Instructor: Abigail Duncan (Saxe)

#506 Puppetry

Completing grades 2-4
9:15—12:15 Saxe Middle School $275

Create your own furry monster with design techniques and materials used by professional puppet builders. Did you know that eye and nose placement can change what we think about how the puppet might act? Learn how to design bold, exciting characters and bring them to life with specific puppet performance techniques like breath and focus as well as general theater skills such as voice acting and ensemble performance.

Instructor: Christine Dempsey

#507 Junior Arts Studio

Completing grades K-2
9:15—12:15 Saxe Middle School $275

Explore diverse media in a playful atmosphere. The teacher’s demonstration will act as a springboard to explore, experiment, and create authentic art pieces each day. Closing each session with a reflection circle, students will have the opportunity to offer positive observations about classmates’ work and reflect on their own discoveries.

Instructor: Jen Berry (Saxe)
Register Online!

You can now register for New Canaan Summer Enrichment camps online. By following these easy steps you are just a few clicks away from a fun-filled summer experience!

**Step One: Register with the Online Registration Form.**

Visit our website at www.ncps-k12.org/domain/748. You can register up to three children on each online form and for as many camps as those children would like to attend.

**Step Two: Make a payment with School Cash Online.**

If you already have a School Cash account, feel free to log in, search by camp #, add the camps to your cart, and proceed to checkout. However, you do not need a School Cash account to pay for our camps. If you do not have an account, simply click on the “Items” tab at the top right of the School Cash homepage, search by camp #, add the camps to your cart, and proceed to checkout.

**If you are having trouble paying online:** Scan the QR code to take you to our “Online Payment Pointers” that helps guide you through the steps. Thank you for your patience!

For our campers’ safety, any child with a diagnosed, life-threatening allergy to food or insect, MUST have the physician’s emergency medical protocol form completed and signed by a physician and parent, according to state law, BEFORE a child may attend a course.

Photos and videos may be used within a camp to showcase student learning. Occasionally, these may also be used as publicity, but names will never be used. Should you wish to opt out, please submit the request in writing.
