RFP #2021-04 Propane Installation - West Elementary School

ADDENDUM 3

Vendors: Please note the following information for RFP #2021-04.

1. Do the two boilers operate in tandem, running at the same time or do they alternate, fire and run only one at a time?

Answer: Not per usual operation. Occasional dual start may occur after no occupancy on the weekend.

2. What was the oil consumption for 2019?

Answer: Approximately 20,600 gallons.

3. We've received inquires about extending the completion date for tank installation. Since we may be going this in two phases because of funding, you may bid the extended date as an alternate. See REVISED PROPOSAL SHEET (page 13) attached.

REVISED
PROPOSAL SHEET

NEW CANAAN PUBLIC SCHOOLS

**PROPANE INSTALLATION – WEST ELEMENTARY SCHOOL
NEW CANAAN, CT**

Having carefully examined the Instructions to Vendors, Equipment / Material Specifications, Scope of Work, Standard Bid/RFP and Contract Terms and Conditions, the site(s) where the work is to be performed, all applicable legal requirements and having made such independent investigations as the respondent deemed necessary, the undersigned hereby submits a proposal to perform the Propane Installation - West Elementary School.

In submitting this proposal, the vendor represents that this proposal will remain effective for **one hundred twenty (120)** days following the proposal due date.
