

## **Professional Development Activities Offered By Approved CEU Providers**

The required 90 hours of contact hours of continuing education (or 9 CEUs) may consist of the following (singly or in combination):

- **Professional development activities eligible for CEUs** offered by the local board of education;
- **Professional development activities offered by approved CEU providers;**
- **CEU equivalents**, which are made available only to school personnel by mutual, pre-arranged agreement with the school district provider;
- **Graduate course(s)**, taken from an approved college or university that is directly applicable to the current endorsement(s) or toward earning an additional endorsement.
